

Dear Marta

JRoots have been delighted to work closely with the Imperiale Hotel and they have offered fantastic services to our groups from across the world. The Imperiale always make our guests welcome and appreciate the needs and requirements of Jewish groups and working with our Kosher caterers.

The Imperiale hosted our delegation of Holocaust survivors who were part of the Auschwitz Birkenau Memorial Foundation 75th Anniversary mission. The care and attention from the staff was excellent and we look forward to many more years of cooperation in the future.
